INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

With reference to the Information Disclosure Statement and Form PTO-1449 filed September 7, 1995, submitted herewith for consideration by the examiner are translations of DE 32 30 406 and EP 103 119. The attached Form PTO-1449 also identifies these translations.

It is believed that no fee (or certification) is required for the submission of this Information Disclosure Statement as a first office action issued after the filing of the September 7, 1995 Information Disclosure Statement which identifies DE 32 30 406 and EP 103 119. However, as these translations were prepared this month, a certification pursuant to 37 C.F.R. §1.97(e) follows:

The undersigned certifies that neither of the translations identified in this information disclosure statement were known to any individual designated in §1.56(c) more than three months prior to the filing of the statement.

Respectfully submitted,

MARSHALL, O'TOOLE, GERSTEIN,
MURRAY & BORUN
